

Spread the Word on Social Media

Be a social media superstar and share how #INFOhioWorks for you and your students. Take advantage of social media as an opportunity to share students' success, connect with your community, and promote the use of INFOhio digital resources in Ohio's classrooms and school libraries. Below you'll find sample messages to get you started. Copy and paste the sample messages below into your Facebook, Twitter, or Instagram page or create your own.

Personalize these messages using one of the following options:

1. Add a picture from your classroom or school library showcasing students using INFOhio digital resources.
2. Include the name of your favorite resource and what you and your students like about it. Tag the company or use hashtags to elevate awareness.
3. Promote your school by adding hashtags used by your school, tag a teacher, school librarian, or your state legislators.

Take some time to say "thank you" to Ohio Legislators and Governor Mike DeWine for continued funding for INFOhio with these sample social media messages below.
